## INTERNATIONALE PRAXIS DRESDEN

Fiedlerstr. 25, Haus 28, 01307 Dresden

### Dear Patients,

It is with great regret that we inform you that our practice will be closing at the end of this year.

We recommend that you begin looking for a new doctor as soon as possible to ensure a smooth continuation of your medical care.

You — or your new medical practice — may request your medical records from us until November 30, 2025.

Please note that interpreter services may not be available at other medical practices.

We sincerely thank you for the trust you have placed in us over the years.

It has been a pleasure to support and care for you.

We wish you all the very best for the future — and above all, good health.

Your International Practice Team
